GOLDEN JUBILEE — BAR HILL LIBRARY

A very successful Golden Jubilee Coffee Morning was held in the Library on Wednesday 24th May. At least 40 people attended.
Many thanks to the Coffee Stop who provided tea and coffee free of charge and especially to the two helpers who ensured everything ran smoothly.
The opportunity was taken to publicly thank Volunteers, past and present, who help in the Library. This includes Weekly Helpers, whose task of keeping the shelves tidy was likened to "painting the Forth Bridge", Storytime Volunteers, the Computer Buddy (who provides free internet training), and the Family History Representative. Special thanks were also given to the Friends of the Library. Whilst they have now disbanded they left a wonderful legacy. Equipment purchased for the Library using funds they raised was outlined.
Mrs Duce then cut a cake supplied by the Library Service, depicting the village sign.
The Jubilee Display outlining the growth of the village has been taken down but staff hope to compile a scrapbook for future reference.

— WANTED —

Bar Hill School Reception Class would like donations of pieces/strips of wood to make into a pretend 'forest'. Artificial fruit and vegetables for educational purposes still welcome.

21 CHALLENGE CAKE AUCTION

On behalf of myself and Shirley I would like to say a very big thank you to all the lovely people at Happy Hours for the support they gave us at the 21 Challenge for Jess Cake Auction. In total we raised the fantastic amount of **£188.70** for My Blue Heart which was way beyond our expectations. If this was because the auctioneer was very good at her job or you are all just very generous people we will never know!!!. Personally I think it is the latter.
A very special thank you must also be said to the very kind person who donated £21.00 anonymously on the day and to Mary for coming along in the afternoon and joining in the fun.
We both had a great afternoon and Shirley enjoyed meeting you all.
Once again thank you so, so much.
With love ***Sue*** x

— LETTERS —

Dear Editor
I am writing to thank you enormously for placing the information regarding our Make A Will Month in your local community publication *(March 2017)*. The support really does mean a lot. I am pleased to say that many of our enquirers had seen the piece in their local community paper, which is fantastic news.
This was our first Make A Will event at which we raised nearly £7,500 for the Arthur Rank Hospice Charity. This will make a wonderful difference to the many patients who come here for care and support tailored to their needs.
Thank you again.

Dear Editor
With reference to Jo Hall's letter in June's BHN stating that she was appalled at the lack of residents at the annual Parish Council Meeting, can I suggest that meetings are not held mid-week and that an article is placed in the BHN, on a monthly basis to advise residents on what is happening and what the PC need our inputs on.
The majority of people who I've spoken to after my dealings with the PC are negative and as residents there are very few people who actually think that they do anything for us as there is no visibility or discussions as to Village Matters. Meetings are held behind closed doors, even though I was advised they are transparent and if you ask questions, little is done to answer them without a web of secrecy.
No one wants to waste their time being ignored or being made to feel that they are in the wrong for asking questions or just to be told what our Parish Councillors have decided for us.
I know that they are volunteers, but the Parish Councils main job is surely to represent the residents and NOT to dictate to us.
Exactly how do these people get to run our village without any consultation with its residents or being voted for?
Recent decisions made, have made many residents angry and it seems that they could be doing it again by selling the skate parkland to developers. At the time of writing this letter, Developers have only applied to buy the land, however after the selling of the "Willows" and now this, it makes me wonder what's next on the list?
What gives the PC the right to sell village asset's and for that matter decide NOT to reinstate the skate park after 3 years of promising that they would, without public consultation?
In February 2017, Mr Doland asked in the BHN where the PC were meant to find £60,000 to reinstate the Skate Park, astonishingly today they seem to have found exactly the same amount for the new play area. Funny that!
Once again, why should we residents respect, support and attend any meetings when they have no respect for us.
There's an old saying, you don't demand respect you have to earn it. Sadly in my opinion and in my dealings with, our Councillors have not earned it.
Geoff Caswell, Field View

Dear Editor
You kindly passed on to me Mr Caswell's letter to BHN responding to my letter in last month's edition, complaining about the poor attendance by residents at this year's Annual Parish Meeting. Having been a resident of the village for nearly 48 years, which I would guess to be considerably longer than Mr Caswell, the meeting has always been midweek and in the not-too-distant past attendances were upwards of 100. Being an avid reader of BHN, I am able to inform Mr Caswell that a summary of the proceedings of the Parish Council is a constant feature. They can also be read in the window of the PC office. I can state with certainty that the Annual Parish Meeting was announced as it has to be by law. Moreover, why did he also miss the announcement of the Annual General Meeting of the Residents' Association? Had he done so and been elected to the committee, he would have been able to make a meaningful contribution to village life, such as in the organisation of the Village Fête – has he read on the front page that this will take place on 1st July? – or the publication of BHN.
Regards, *Jo Hall*

— BAR HILL PARISH COUNCIL —

Sue Bell, Parish Clerk: **01954 780456**
e-mail: bhillpc-1@btconnect.com.
Please note that the office is open to residents between **9am–11am Monday, Tuesday** and **Wednesday**.
Visit our website: www.barhill.org.uk for updates.

Vacancies – Parish Council (PC) vacancies have arisen for a Councillor and a Responsible Finance Officer. Please see the front page of this edition, or contact the Clerk for details.

Disposal of land off Saxon Way consultation – a notice was placed in last month's edition advising that PC had been approached by a commercial retail developer regarding buying council land off Saxon Way. We hope the developer will explain more in a public meeting so residents can make an informed decision. Please keep an eye on our noticeboard and the website – http://barhill.org.uk – for further information.

Facilities for young people – PC is pleased that plans have been agreed for a recreational area for teenagers including a seating area, climbing and multiactivity units, cross trainer, supernova and skate-ramp. This has been planned with input from the young people of Bar Hill. Unfortunately the PC was unable to organise the *Youth Bus* between Easter and July, but we hope to book it for September.

Hallmark development – PC has been informed that Hallmark was successful in its appeal against South Cambs District Council (SCDC) for the development of 40 homes on land adjacent the hotel.

Dam Brook/Hollytrees stream – work on stabilisation of the banks will start shortly.

Cars –PC continues to receive complaints about cars being parked on verges and green spaces. All residents and visitors are respectfully requested not to park on green spaces including roadside verges. The PC monitors and writes to residents.

A14 – Highways England arranged for the mobile exhibition vehicle to attend Tesco car park on 1st June 2017. It was advertised on the website and our noticeboards but unfortunately with only two days' notice! You are encouraged to visit the Highways England website www.highways.gov.uk to keep up with progress.
Mike Nelson keeps the website http://barhill.org.uk up to date with closures, diversions and drone footage.

Waste & litter – emptying of domestic waste, village litter and dog bins is the responsibility of SCDC. To report a bin not emptied please phone 03450 450 063 or e-mail refuse@scambs.gov.uk.
Residents are reminded that it is not PC policy to permit the *planting* of land on PC side of fences and walls. While it accepts that many areas are well cared for, it can become a problem when shrubs grow tall or become overgrown with brambles, weeds and self-sown trees that the PC is then expected to deal with. Residents are asked to check to make sure there are no trip hazards along pathways.
Next PC meeting: **20th July**.

— NEIGHBOURHOOD WATCH —

Why do we make it so easy for burglars?
Local villages have recently seen a number of burglaries through unlocked doors or open windows. While we love warm sunny days, so do burglars because we become lazy about sensible security. It takes only seconds for a professional or an opportunist to enter your property, see what they can grab and depart, leaving you to make an upsetting discovery.
Bar Hill is fortunate to be a relatively safe place to live but we can make it even safer by taking sensible precautions – all the time.

- √ Keep external doors locked – *even when you are in the house.*
- √ Don't leave tempting ground floor or accessible windows open when you are not in the room.
- √ Lock sheds and garages – *they hold items appealing to a burglar, including the tools to break into your house.*
- √ Keep side gates locked – *yes I know you like to pop in and out easily but why give an intruder easy access?*
- √ Lock doors and close all accessible windows when you go out – *even windows on the latch can easily be opened.*
- √ Help build a safer neighbourhood, by mentioning to others any lapses in their security that you observe.

And FINALLY, while being questioned by police, a burglar commented he avoided Neighbourhood Watch areas during the day because he knew residents were alert ☺
BUT once the curtains were drawn he knew he was safe because people didn't look out so much ☹
MORAL – look out of your windows at night; and day or night report anything suspicious to the police (101). They won't feel you're wasting their time as they welcome our information. After all, burglars often check out an area before committing a crime and you can help forestall them.

— SCAM OF THE MONTH —

Smishing – when criminals steal money and/or your identity via text messages.
Using your mobile phone fraudsters try to manipulate you to take various actions which can lead to you being defrauded.

1. You receive a text message, supposedly from your credit card provider, stating a transaction has been approved on your credit card.
2. It asks you to confirm if the transaction is genuine by replying 'Y' for Yes or 'N' for No.
3. If you respond, the fraudster knows your number is an active one and will attempt to get your credit card details, CVV number (the three digits on the back of your bank card) and/or other personal information.

Protect yourself:

- Always check a text message is valid by ringing your bank/credit card provider using the number on the back of your card or on a statement.
- Beware of cold calls claiming to be from banks or credit card providers.
- If a phone call from the bank seems suspicious, hang up the phone and wait 10 minutes for the line to clear (or ideally use a different phone). Ring them using the phone number on the back of your card or on your bank statement.
- Only ever give out your card details and CVV number when you have initiated a call to make a purchase from a reputable company.
- NEVER divulge your pin number to anyone; even the bank will not ask for it.

If you have been a victim of fraud or cybercrime, please report it to Action Fraud http://www.actionfraud.police.uk/ or 0300 123 2040. You need not feel ashamed, and your report can help in the fight against these crimes.

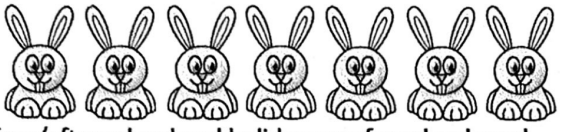
— BAR HILL CHILDMINDERS —

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children the opportunities of day trips and range of outdoor experiences and take part in local community events and groups without being confined to one place.

We offer flexibility in the hours that we work to suit you and your child's needs with village rates, rather than having set session times.

Your child will receive focused and individual attention and care as we progress them through the EYFS curriculum. Child led play as well as structured and personally thought out activities will encourage them to grow and learn at their own pace taking in to account each child's individual needs.



Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. You can feel safe in the knowledge that we all hold Paediatric first aid certificate.

We welcome you to join us and have an informal chat at either of our friendly and inviting 'Little Bunnies' sessions on Tuesday and Thursday mornings from 9.45–11.15am in the Octagon, term time only – (£1.50 for one child under one, £2.50 for one child over one and £3 for 2 or more children). — CHRISTIAN AID WEEK 2017 —

A successful collection was held in the village during Christian Aid Week in May, when forty-two volunteers from the church delivered envelopes and called to collect them. The result once again exceeded expectations: **£2,946.20** was collected, a few pounds more than in 2016. Gift Aid adds about £336 to the total.

Several of our collectors reported that they met residents who were welcoming and encouraging. Others were not so pleased to have a visit, but the warm responses made up for the negative ones. Many of our residents have demonstrated their awareness of how privileged we are in our country compared with those who live in less developed parts of the world.

Thank you to all of you who contributed to the total.

— BAR HILL CRICKET CLUB —

Bar Hill remain unbeaten in the CCA Junior League this season, with Sam Clare the star performer in recent matches.

He started by taking four wickets against Haddenham and with Sam Wilson going one better by taking five, Haddenham were bowled out for 87. Sam Clare then top-scored with 32 as Bar Hill won for the loss of three wickets.

He was also top scorer in the next two matches, first hitting 61 as Madingley's score of 149 for 8 was overhauled with four wickets down, then striking 53 not out in an eight-wicket victory over Willingham. In the same match, there were three wickets each for the two Sams, Clare and Wilson.

It left Bar Hill joint top of the league with Wilburton, the only two teams with maximum points from their first five matches.

One of the highlights of the coming month will be the Fred Styles Memorial Match at the village green on Sunday 2nd July, when we take on the Social Club.

The first midweek league match of the season was cancelled, but there are plenty more in the weeks ahead to report on in the next Bar Hill News. All the latest news and fixtures are on our website.

Our youth training sessions are also going well on the village green **every Wednesday from 6pm**. Remember, our fees for the season are only £15 per child for the whole summer, with equipment provided and sessions led by our qualified coaches. We cater for all ages and experience levels.

For the latest news and all other information about the club, or if you are interested in joining or volunteering for the club, visit www.barhillcricket.org.uk or call the number below.

— COUNCILLOR NOTES —

Parklife at Milton Country Park – I hope you were able to get to the excellent day at Milton Country Park, free events made it a day to have lots of fun.

South Cambs Community Chest – what good news for the Bar Hill Village Playgroup to receive funds from the South Cambs Community Chest, very well deserved for them.

South Cambs Election – Heidi Allen, newly re-elected Conservative MP for the South Cambridgeshire parliamentary constituency, was returned with 33,632 votes. My congratulations to her.

Help shape the future of South Cambridgeshire – people are being urged to have their say on the priorities for their local district council during a six week 'Let's Talk' initiative. South Cambridgeshire District Council (SCDC) is calling on people to tell them what's important to local communities and what makes the place they live special, so they can help councillors and officers to draw up a business plan for next year.

Between 2011 and 2031, 19,500 homes are planned to be built in South Cambs but council bosses have reiterated that housing affordability remains one of the greatest challenges in the area. Transport and connectivity have consistently been a top priority for residents and businesses over recent years, which councillors have said must go hand-in-hand with new homes to support future generations growing up in the area.

You can also give your views by visiting www.scambs.gov.uk/letstalk where there is a summary of the main issues.

Should you need further information or advice or we can help in any way, please contact us on:

Combined Actors of Cambridge presents
"AN AUGUST BANK HOLIDAY LARK" by **DEBORAH MCANDREW**
directed by **Chris Avery**
at the **ADC THEATRE, CAMBRIDGE,**
11th–15th JULY at 7.45pm

August 1914 – Wakes Week in the small Lancashire mill town of Greenmill and preparations are in hand for the annual Rushbearing Festival. The threat of war rumbles in the distance but, for now, family feuds, a blossoming romance and rehearsals for Morris dancing are the main preoccupations. The older men are concerned to preserve the old traditions, but as the younger ones talk about enlisting, to what will they return – if they return at all? Incorporating live music, song and dance, the play is a gem – warm, funny, wise, moving, and full of the shared humanity of a close and long established community as it copes with grief and the changes facing it in a world that will never be the same.

If you come to Swavesey RADSOC productions, you'll see a couple of familiar faces on stage – John Pickering plays Alan and Chris Hay plays Herbert.

You can book online at www.adctheatre.com/whats-on/play/an-august-bank-holiday-lark/, where you can also see videos of rehearsals. Alternatively, ring the ADC Box Office on **01223 300085.**

— FAREWELL TO THE RAVENS —

Bar Hill under 16s (the Ravens) played their final league match in April. They were formed ten years ago as under 7s by Tim Parker and Janet Shanahan. The following year Kevin Sargent took over as manager and has been there ever since with Janet. Over the ten years squad numbers have grown when many local teams have folded. So the Ravens have evolved from a classroom at Bar Hill Primary School to having players from eight of the surrounding villages. Four players have been with the Ravens from the start :- James Debono, Liam Rabel, Harry Sargent, and Luke Shanahan.

The Ravens achieved the highest sporting award marks two years in a row (rated by fellow coaches). They have also been voted Bar Hill Colts team of the year three times. Over the last six years they have won the league outright once and were joint winners on another occasion. Over this period they amassed 222 points, scoring 429 goals with a positive goal difference of 258. Their average league position was 2nd, average goals per season is 71, average goal difference plus 43. In five of the last six seasons they have had the leading league goal scorer. Five Ravens players are now qualified referees who officiate matches and act as true role models to the younger generation. One player now referees at county level and is supporting the new intake of referees in the academy.

A special mention should go to Phil Stevens who helped coach the Ravens during their mini soccer years. Kevin and Janet would like to thank every player who has represented the Ravens over the last ten years. They would also like to extend their gratitude to the parents for their support come rain, frost or roasting sunshine. Finally, they would like to thank Bar Hill Colts Committee who have provided a terrific framework allowing them to manage and coach their team effectively.

On behalf of Bar Hill Colts I would like to thank Kevin and Janet for their continued hard work, commitment, and overall contribution to the club. Janet's organisational skills and off the pitch administration allowed Kevin to concentrate on the playing side to great effect. I am pleased to say that Janet will continue as our club Welfare Officer whilst Kevin will continue to help other coaches whenever he can.

So the Ravens have reached the end of an era...

Their last match was played against a team of managers/coaches from all our teams at the **Colts Presentation Day** on Saturday 17th June. In 2016 they were beaten in a hard fought match, so they will undoubtedly be out for revenge. We'll include a match report in next month's edition, along with details of all awards given out at the presentation.

— VILLAGE HALL —

01954 782892

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines eg children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on **01954 782892** to book an informal visit or for an application form.

— COUNTY COUNCILLOR REPORT —

At the first **meeting of the County Council**, members of the majority group were appointed chairs and vice-chairs of all the committees. The only exception was the Audit and Accounts Committee which with it scrutiny responsibility was deemed to be more appropriately chaired by a member of the opposition. The agenda also included some constitutional changes but the committee system, at least in principle, persists for two years.

The **Combined Authority**'s first meeting under its new chairman on 31 May started with James Palmer signing the declaration of acceptance of office as Mayor of Cambridgeshire and Peterborough. The constituent councils appointed their members in a politically proportional way. Portfolios for the Combined Authority are: Leader of the County Council holds the Fiscal portfolio whilst the Leader of South Cambridgeshire District Council is the portfolio holder for New Homes and Communities.

After many years of waiting **Cambridge North Station** opened on 21st May providing really good connections with the Busway and its popular and well used cycle way. The current schedule of services has received some criticism but there is no doubt that this new station provides an alternative for many to driving through the congested city roads to get to Cambridge station.

The **cyber-attack** on the NHS and the British Airways flight disruptions are yet two more examples of the vulnerability to which we are exposed as we become ever more dependent on computer connectivity. Those of us who rely on the internet for a range of needs, e.g. e-mail communication, armchair shopping, banking, need to be ever vigilant about cyber-security [on which Cambridgeshire Constabulary is one of the leading forces in the country]. There is a wealth of advice available to individuals on www.getsafeonline.org/ or small businesses can find similarly helpful advice at: www.actionfraud.police.uk/small-businesses-know-your-business

Please don't hesitate to contact me with any comments or questions you may have. If you would like to receive a copy of the full report that I write for the division's parish councils each month, please do e-mail and I will add you to its circulation.

— JULY BULLETIN —
CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

As the weather brightens we welcome the longer, brighter nights to enjoy in the garden. When powering up your BBQ and putting out the garden furniture, be sure to take note of our top tips below to ensure you have a fun and safe summer in the garden.

- Always check over BBQ after winter storage. Keep them on level ground and ensure they are sited away from sheds, fences, overhanging foliage and property.
- Keep children and garden games well away from the cooking area and never leave the BBQ unattended.
- If you have a bonfire, build it well away from buildings, tents or other flammable objects and make sure it is properly out when you leave.
- When out in the countryside, extinguish cigarettes properly and dispose of them responsibly. **Never** throw a lit cigarette into a field or wooded area.
- Don't forget to stay safe around our county's waterways and if you see someone in trouble in water, call 999 immediately with clear details of your location.
- When out camping or using a tent, never use candles inside or nearby and always discourage smoking nearby. Never cook inside a tent.

While the rest of the country was going through a snap general election, at Bar Hill School we have held a referendum to determine whether or not we would allow "fidget spinners", the latest fad amongst children, in school. The Student Council formed five options on the referendum ballot and the result was overwhelmingly in favour of: "We should allow fidget spinners during mindfulness time and break and lunch only and put away for the rest of the day." In response to the referendum, the Student Council passed a number of bills in order to make the referendum decision work within the school. Along with having quite a lot of fun, the children have experienced a bit of British democracy while also taking responsibility for an issue that is important to them. The way the children have engaged with the political system has been brilliant and offers hope for the future of politics in Britain.
Along with high politics, the school has also enjoyed receiving another award for the school. We have been awarded Astra Zeneca's Special Achievement in Science Prize as a result of our high standards in Science and the excitement and fun we create in our curriculum. This is a wonderful honour that we were thrilled to receive.
As ever, we appreciate the community support for the school and welcome visitors and volunteers. Feel free to contact office@barhill.cambs.sch.uk if you'd like to get more closely involved.
Dr. Al Mistrano, Headteacher

"Of all the preposterous assumptions of humanity, nothing exceeds the criticisms made of the habits of the poor by the well housed, well warmed and well fed."

A SNAPSHOT OF BAR HILL ON AN ORDINARY RAINY MORNING IN JUNE

Past our wonderful library, and the picnic table outside, where yesterday children were sitting in the sunshine playing a game after school, and on to the Parish Council office, open for anyone to call in – I go to tell Sue and Bunty about a small problem and they promise to follow it up. In the Church, a lively exercise class going on, lots of ladies having a ball to loud cheerful music. I have a quick look in the Memorial Garden where I've noticed a beautiful shrub which I'd like to have in my garden. To Tesco, where I find an excited group of children, complete with clipboards, exploring the fruit and veg area, learning about where it all comes from, and Julie, our lovely Community Champion, enjoying the morning as much as they are. Outside, a little girl in pink wellies splashing in the puddles. I help to load the food which has been given to the Foodbank into crates to be taken back to the Foodbank warehouse – thank you, wonderfully generous folk from Bar Hill and the surrounding area.
It might be raining, but my village is looking wonderfully green, and everyone is busily and happily occupied. What a great place to call home – I've been here 40 years and I don't want to live anywhere else. Thank you, Bar Hill friends.
Chris Avery

VOICES4CHOICES – A CHANCE TO SHAPE YOUR CARE AND SUPPORT

Do you or someone you care for have a disability or long term health condition and receiving support such as home care, a support worker, day services or respite care? Maybe you are starting to feel as though you might need some help in the future but are not sure about your options and how you go about getting the help that you need?
A Direct Payment is one way to fund care and support that you or someone that you care for needs. It is money from the council that aims to give you more **flexibility, choice** and **control**. For example, you could use the money to pay a friend or neighbour rather than use a care agency. If you would like to take more control of the care and support, you may find it helpful to come along to one of our four **Direct Payment Awareness Raising Events** across the county, planned for July.
Are you already in receipt of Direct Payments? If you have a story, good or bad, to share we'd love to learn from your experience. If you are already in receipt of Direct Payments and just want to learn a little more or have a chance to chat to a real person, then these events are also for you!

- Thursday 6th July Owl Café, Sawston 2.30–4.30pm;
- Thursday 13th July Ely Library 2.30–4.30pm.

Each session is free, including reimbursement of travel expenses. Hot and cold drinks will be available.

— SCOUTS IN BAR HILL —

The Bar Hill Scout Group, with active Beaver, Cub and Scout sections, wants to expand their programme with help from extra instructors and helpers in all three sections. We would welcome assistance from anyone interested in helping local young people get out and about – and away from electronic games for a while.
If you feel you can help or have any questions, please e-mail Roger Howard at Rogerpl294@btinternet.com.

— SAVE THE BLACK HORSE PUB —

Background: following closure of the Black Horse, Dry Drayton, late last year, a group of enthusiastic individuals have formed the Black Horse Steering Group (BHSG) with the aim of saving what is the last remaining pub – there used to be five – in the village.
The aim is to buy the Grade II listed building, which has operated as a pub since 1780, renovate it, and install a suitable tenant to run it as part of a community-based social enterprise. This initiative already has widespread approval from organisations such as the Plunkett Foundation, Pub is the Hub, CAMRA and local breweries. The Black Horse was previously a popular destination for residents of Bar Hill due to its proximity, quality beer and food at great value. The new community venture would hope to meet and exceed these needs of the people of Bar Hill.
Awareness and feedback: thus far the BHSG has organised various activities to raise awareness for the cause, including presence at the recent Beer Festival in Cambridge. In order that a rejuvenated Black Horse can serve local villages and communities effectively, we would encourage everyone from surrounding villages to take part in our survey and subscribe to our newsletter which can be accessed from our website: www.savetheblackhorse.co.uk/survey/
Investment opportunities: a public meeting will be held at the School Hall, Dry Drayton, on **Thursday 6th July 2017** at **8pm** where the business plan will be presented, along with details of very attractive opportunities for the people of local villages and communities to make investments or loans into the social enterprise. The BHSG would like to encourage anyone interested in such investments to attend the Public Meeting, or register their interest through the website or by e-mail: invest@savetheblackhorse.co.uk.
Please help us to serve local villages and communities and save the Black Horse. Twitter/Facebook: @SaveBlackHorse; website: www.savetheblackhorse.co.uk.
